

Wake up, America! We're on the brink of a financial meltdown. I.O.U.S.A. boldly examines the rapidly growing national debt and its consequences for the United States and its citizens. Burdened with an ever-expanding government and military, increased international competition, overextended entitlement programs, and debts to foreign countries that are becoming impossible to honor, America must mend its spendthrift ways or face an economic disaster of epic proportions. This video clip goes to show that Bishop Koyle knew what he was talking about.
